Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450

Sir:

Applicants respectfully request correction of the name and residence of the assignee to be printed on the patent issued from the above-referenced application. More specifically, the Issue Fee Transmittal filed on May 25, 2005 incorrectly indicates the name and residence of the assignee of the present application as Hill-Rom Services, Inc. of Batesville, Indiana. In fact, the correct assignee of the present application is Beacon Medical Products LLC, having a principle place of business in Charlotte, North Carolina, as indicated in the assignment of the present application recorded at Reel 016039, Frame 0959. Accordingly, correction of the name and residence of the assignee to be printed on the patent issued from the present application is respectfully requested. No fee is believed to be due for this petition. In the event any fee is required, please charge such a fee to Jones Day Deposit Account No. 50-3013.

Respectfully submitted,

Date: July 5, 2005
